## MESSAGE FROM THE CEO

Dear Friends,

Stevedoring & Shipping, today is more than a trade. In addition to longshoremen's and sailor's know-how, it requires many levels of combined expertise from professional, mechanics, supervisors, engineers, programmers and other skilled workers. Since last 42 years, CSS Group has built a solid reputation for providing stevedoring and shipping services to a broad spectrum of customers worldwide – shippers and carriers – with one thing in common: the need to get goods to and from the market efficiently, responsibly and safely. We are committed to meet these needs and to earning the opportunity for you to choose us as your stevedore and shipping agent.

We have established a reputation of excellence for efficient handling of a diversity of different cargoes thereby contributing to the growth of Pakistan's import and export markets.

CSS Group and its subsidiaries have been providing their clients with exceptional services tailored to their specific needs. Supported by a management team with a wealth of experience, skilled workers with extensive know-how and equipment at the cutting-edge of technology, CSS adheres to the most stringent quality standards of the stevedoring & shipping industry. We are always there for our clients who need our help and we have all the necessary resources to lead them to the right places.

Our employees focus on customer needs and are committed to providing the quality work and client services that will garner mutual future development.

Since its foundation, CSS Group has always made good environmental practices and sustainable development its concern. Combining social, economic and environmental dimensions into the management of the company is a fundamental requirement for achieving development that is deemed sustainable.

What makes us No.1 for a wide range of clients is customer service supported by a firm commitment of CSS Team.

Muhammad Saleem Vohra  
Chief Executive

## WHO ARE WE

CSS GROUP OF COMPANIES PAKISTAN is one of the largest services group involved in the sphere of shipping business since 1977 that has been providing comprehensive and high quality services in Pakistan. We have served hundreds of ship owners, carriers, charterers, cargo receivers and shippers with full satisfaction. CSS group handles more than 100 vessels per annum. CSS Group renders: Stevedoring, Ship Management, Shipping Agency, Manning, Chartering, Brokerage and Ship Chandling services in Pakistan. After more than 42 years of reliable services, CSS has attained its credibility as a leading services oriented group in Pakistan.

This is the core business of CSS Group; we act as "Handling Agent" nominated by Charterers and / or Owners of vessels calling at Pakistani ports. Our services include but not limited to: Stevedoring - Loading and Discharging of Cargoes (Bulk , Break-bulk, Heavy Lift, Project & Containers)

- Stevedoring
- Cargo Handling
- Container Terminals
- Shipping Agency
- Chartering / Ship's brokerage
- Ship Chandling & Fresh water supplies
- Transportation
- Import/Export
- Trading
- Freight Forwarding

### VISION:

CSS vision is to become a Leader in providing Quality in the sphere of Ship related Services to its clients assisting them to meet and exceed their business objectives for building and maintaining long term business relationships.

### MISSION:

CSS mission is to deliver ever on time, all cargoes carried on its managed fleet in the safest possible manner, protecting the marine environment, ensuring the safety of the company's seafarers and the public at large

### CORE VALUES

#### SAFETY FIRST

We Commit to the Safety of our Personnel and the Environment.

#### RESPECT

We regard our personnel as our greatest assets and ensure their long term well-being and fair treatment.

#### INTEGRITY

We exhibit the highest levels of honesty, accountability, transparency, and responsibility in executing our business deals.

### APPROACH

We offer fully integrated services from a fully committed and well equipped team, capable of meeting every related need. Regardless of your requirements, our approach remains the same.

### THE CONCEPT

The key to success of integrated services is just as simple as it is impressive. The company solely focuses its activities on the loading / discharging of bulk cargoes. CSS main goal is to provide the best personalized services to all owners and charterers for their vessels / cargoes at all Pakistani ports.

### GROUP STRUCTURE

CSS is a multi-segmented business group purely focused upon Stevedoring & Shipping business with Ten (10) independent operating entities that are managed on a decentralized basis. Our multi-services structure ensures that we optimize the benefits, scale and synergies that are derived from large businesses, while retaining agility, customer focus and an entrepreneurial flair that often characterizes smaller businesses service.

## STEVEDORING

Friends Corporation Stevedores (Pvt) Ltd. prides itself in providing professional stevedoring services combined with a dedicated and well competent team. We have been rendering stevedoring services since 1977, handling more than 60% of Rice from Pakistan and served almost 5300 vessels, the only company accredited by Karachi Port Trust in all the three categories "Bulk, Break Bulk & Containers" as Cargo Handling Company (CHC), We have most recent record of discharging 30,000 MT Coal in bulk in 24 Hrs at Karachi Port for one of Pakistan's leading Blue chip corporation. Our experience and thorough understanding of operations at Karachi & Bin Qasim Ports enable us to provide customized solutions to your requirements. Our commitment to our clients is to provide reliable services at competitive costs guided by high quality standards. Upon request we are competent to handle your logistic, clearing, transportation and other requirements.

Recently, we have been registered in Gawadar port as Stevedores with M/S GAWADAR INTERNATIONAL TERMINAL LIMITED. We will provide stevedoring & cargo handling Services at Gawadar Port.

We commit to our clients, We will provide reliable services at Gawadar same as we have provide at KHI/QASIM Port. Further we will provide transportation facilities from Gawadar to Karachi.

- 30,000 MT COAL DISCHD AT KHI PORT
- 23,000 MT STEEL COILS/GEN DISCHD AT KHI PORT
- 24,000 MT ROCK PHOSPHATE DISCHD AT KHI PORT
- 28,000 MT BULK WHEAT DISCHD AT BIN QASIM PORT
- 23,000 MT CLINKER LOAD INTO VESSEL AT KHI PORT

Having more than 42 years of extensive experience and knowledge, the company understands the needs of the importers, exporters, charterers & ship owners keeping in view mutual interest for both the parties. Employing well trained and experienced workforce, adhering to stringent safety standards and utilizing the most modern equipments, FCS guarantees the expeditious handling of cargoes.

## CARGO HANDLING

Cargo Safety Services (Pvt) Ltd. is an official CHC (Cargo Handling Company) at Bin Qasim Port since 2001; well equipped for discharging & loading of cargoes in bulk. We have speciality of handling bulk / break bulk cargoes that include Cement, Coal, Generals, Project, Heavy lift, HRC/CRC Coil, Iron ore pallets & dry bulk cargoes.

In order to achieve the best results to discharge granular cargoes like Wheat, Seed, DAP etc., we own and operate the following machines:

PNEUMATIC BAGGING MACHINES 12 in Number (Richard Simon)

- I. **Permanent Steel Rod Conveyors instead of Rubber**
  - a. Bags do not tear.
  - b. Cosmetic intact.
  - c. Continuous movement of 4 to 6 bags at a time.
  - d. Bags do not slip even in dew / wet conditions.
2. **Volume Metric Hoppers with 16 Stitching Lines**
  - a. Approximate size 30 to 35 tons capacity, spillage can be controlled because of larger Cargo holding capacity, which in turn reduces the weight variations.
  - b. Hoppers are portable / movable instead of the fixed systems, thereby handling and cleaning becomes a lot easier.
  - c. In addition, other minor changes have been done for efficient handling.

ELECTRO HYDRAULIC GRABS (SMAG)

We have Eighteen (18) Hydraulic Grabs of 8-12 CBM with lifting capacity of approx. 8-12 Metric Tons of DAP / Coal / Clinker per lift per grab. The above mentioned Hydraulic Grabs have optimum discharging capacity and quick turnaround of Vessels.

ELECTRO ORANGE PEEL GRABS (SMAG)

We have Eight (08) Hydraulic Orange Peel Grabs of 6-10 CBM, exclusively being used for Discharging of bulk Shredded Iron Scrap with a lifting capacity of approx. 8-12 MTons per lift per grab.

EVACUATORS (NEURO)

We have 30 evacuators which are known to have optimum loading/discharging of the granular commodities.

WHEEL LOADER/ SHAVELS (CATERPILLAR)

We have Ten (10) wheel loaders used for handling of bulk cargoes.

TRUCKS / DUMPERS:

We have a fleet of Twenty-five (25) dumpers used for transportation of various bulk cargoes simultaneously within port premises. The company is in process of expansion to further import sophisticated equipment to enhance its working efficiency.

## TRANSPORTATION

Friends Cargo Services Provides in transportation facilities having more than fifteen years. FCS provides transportation within the port premises, inter-city and Intra-city also. FCS Extend a SAFE and SECURED transportation facilities to all its clients on demand. Mostly we transport two types of cargo break bulk cargo and dry bulk cargo and containers too.
